

# SECONDARY SCHOOL TERTIARY COURSES 2025

NZQA-approved aviation courses, units and general industry courses for secondary school learners.

JULY 2025

A man with a large Maori tattoo on his right arm is smiling. He is wearing a black cap with 'NEW ZEALAND' on it, large yellow earplugs, and blue-tinted sunglasses. He is wearing a bright yellow high-visibility vest over a black and white striped shirt. He is holding onto a metal structure of an aircraft. A red ID card is clipped to his vest. The background shows an airport tarmac with other aircraft and buildings.

## What Did You Like Most?

“Getting to see all the equipment and operations so far. It’s enjoyable.”

“Aircraft on the apron and visiting the ATR [aircraft] was cool.”

“I liked the class engagement.”

“Going out on the ramp and seeing how things get done in person out there.”

“Just going out in the aviation [environment] was fun itself, learning lots of things, getting to see lots of things. And understanding the ramp and all of the other jobs instead of only piloting.”

“I normally fall asleep on these Courses, and i didn’t on this one. Was fun.”

“The lollies were good thanks.”
